INTRODUCTION

To Whom It May Concern:

We would like to invite you to “Miles of Smiles” on Saturday, April 2nd, in Exall Park. Miles for Smiles is an annual run-a-thon that benefits Texas A&M College of Dentistry’s Social Services Fund, which provides low-cost and quality dental care to eligible DFW residents. One hundred percent of the proceeds made from this event go directly to the patients.

We are glad to see that your business has the success and resources available to contribute and make an impact on our community. We would greatly appreciate your support in helping us make our event a successful one. This document outlines what has been requested, including project goals and objectives, the involvement we ask from our sponsors, the description of our team, proof of tax-exempt status, and the benefits of participating.

.

BENEFITS OF PARTICIPATING

When this event is over, one hundred percent of the proceeds will go towards helping patients in need of oral healthcare. Any donation will go on to provide treatment for individuals in North Texas who cannot afford dental care. As a sponsor, apart from supporting a great cause, you will receive advertisement and recognition at the event and will also be able to claim your donation as a tax deduction.

We want to make every effort to make sure you have the information you need to claim your donation as a tax deduction. Texas A&M Foundation is a 501(c)(3) recognized organization, according to the IRS. Donors may deduct contributions to Texas A&M as provided under section 170 of the Tax Code. Bequests, legacies, devises, transfers, or gifts to Texas A&M are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code. The Tax ID or Federal Identification Number needed to file the deduction is **74-2245072**. Please refer to the IRS’s website, www.irs.gov/ for more information regarding filing requirements.

HOW YOU CAN PARTICIPATE

As a non-profit organization, all of our donations go directly towards Miles for Smiles. This event functions on both material and financial donations.

An example of donations would be:

- Direct contributions – this is the best method for making an immediate impact. Due to credit card fees, donations with a check are preferred. The form below may be filled out if you are able to pay with a check.
- Raffle items, such as an item from your store, gift baskets, gift cards/certificates, etc.
- Food or drink items for the day of the run-a-thon.
